

NAZIS STONE POLICEMEN IN RUSSIA AREA

Communist Officers Report Three Soldiers Attacked While Returning Home From Duty

SHOWERED WITH ROCKS

Berlin, Sept. 16.—(AP)—Some 150 German youths stoned three policemen in the Russian sector of Berlin today, the Soviet-controlled press reported.

This was the third stoning of eastern sector police in recent weeks. The first drew gunfire from the police and resulted in the death of one Berliner and the wounding of more than 20 others. The Communist police report said the three policemen were returning home from duty when a swarm of youngsters near a "black market center" set upon them and showered them with rocks from nearby rubble heaps.

The reports said the youths were "incited by older people," one of whom was said to be drunk. He was arrested along with 15 boys. The latter were released after several hours, the account said.

A former Berlin official, meanwhile, was reported facing a secret Russian court today as the east-west war of nerves continued. Last night, American authorities said the official—Dr. Curt Mueckenberger, former manager of the Berlin Central Coal Organization—was to face trial in a secret Soviet court session.

The Soviet-licensed press has made no comment on the reported trial. Mueckenberger was arrested by the Russians a month ago after they removed him from office for an "uncooperative attitude." Nothing since has been heard from him.

Economic officials in the American military government said the Russians refused a request they made to attend the hearing. An American announcement said the Russians had no authority to fire an official working for the city government and no authority to arrest him.

Both acts, it said, violated four-point agreements. American officials said it was not clear what charges the Russians might bring against Mueckenberger. They said it appeared the only charge against him was his refusal to obey an order which Soviet authorities had no right to give.

In Frankfurt, the Frankfurter Neue Presse said last night that Fritz Thyssen, once Germany's richest industrialist, was found guilty yesterday of having been a minor Nazi offender.

The paper said the German denazification court ordered the 74-year-old Thyssen to surrender 10 per cent of his property as a penalty. He has said he was flat broke.

"Model Dad" Found Guilty In Tot Death

Erie, Sept. 16.—(AP)—A jury that went out at noon and returned at midnight last night convicted Ralph J. Hoge, 26-year-old ice-man, of the second degree murder of his son.

The boy, Jackie, 6, died last May 30 from what a hospital pathologist testified was the result of repeated blows, "probably 100," from a web belt.

Hoge, considered a "model dad" in the nearby Harbor Creek community, contended he whipped the boy as punishment for the child's refusal to tell where he had hidden a toy hammer.

Hoge took the verdict calmly and showed no emotion as each of the 10 men and two women of the jury intoned, "Guilty of second degree murder," after his counsel requested they be polled.

His wife, Doris, who testified in his defense, was at his side as the verdict was read. He left the courtroom, a half-smile on his face. Second degree murder carries a 10 to 20-year prison sentence. Judge Burton K. Laub said he would pass sentence at a later date.

The state did not seek a first degree conviction. In his charge, (Turn to Page Sixteen)

Stephany Honeymoons With Hitchcock In Florida Club

Folkston, Ga., Sept. 16.—(AP)—Polo playing Francis Hitchcock and tall, willowly Stephany Saja, a Pennsylvania coal miner's daughter, were honeymooning today after a surprise elopement to this south Georgia "Grecia Green."

The 23-year-old bride, who left her native Windber, Pa., and went to New York to become a clerk in a brokerage firm, was married to the balding 39-year-old Hitchcock yesterday at a ceremony in the home of Judge A. S. McQueen.

A single ring ceremony was used in the nuptials. It was the first marriage for the bride, the third for the socially groom. Immediately after the ceremony, the couple left for the Kentucky-Florida club, an ultra exclusive

Truman and Dewey Jot Down New Stop-and-Talk Dates For Cross Country Drives

President Truman and Gov. Thomas E. Dewey jotted down new stop-and-talk dates today as they put finishing touches on their cross country campaign plans.

Mr. Truman, who leaves tomorrow on a 16-day, transcontinental trip, scheduled a three-day stay in Texas on the way back from the Pacific coast. He will return to Washington by way of Missouri, Illinois, Kentucky and West Virginia—all key states in his presidential election drive.

Gov. Dewey meanwhile disclosed plans to take in the northwestern states of Montana, Idaho and Wyoming on his way back to Albany, N. Y. Both men are due to make major speeches a day apart in Los Angeles. There a controversy developed.

E. George Luckey, chairman of the Truman-Barkley ticket committee in Los Angeles, said the president will have to use Gilmore Stadium for his September 23 talk because the Republicans had tied up the larger Hollywood bowl "to rehearse some complicated lighting effects" for Dewey's appearance the next night.

Democratic National Chairman J. Howard McGrath promptly charged the GOP with "leaving an empty stadium" just to deny it to Mr. Truman.

Gov. Earl Warren, the No. 2 man on the Dewey team, meanwhile headed east from California on the start of his 30-state tour. He will spend most of the next two days campaigning in Utah.

Senator Alben Barkley, the Democratic vice presidential nominee, was due to return today from Rome, where he has been attending the interparliamentary conference.

Henry A. Wallace joined the mounting word battle over farm price supports following a Chicago session with 40 third party workers from 15 states. The former agriculture secretary said he will make a "special appeal to the farmers that the ever-normal granary was my baby, and now it is their baby."

Another Chicago visitor, Rep. Hugh D. Scott of Pennsylvania, chairman of the GOP national committee, lashed out at the AFL political league's support of 18 Democratic senatorial candidates and its blacklisting of eight Republican aspirants.

Scott told newsmen "the time will come when the real friends of labor inside the unions will show that their future and labor's future lies in the Republican party."

Plans Set For Welcome To 1928 Dragon Football Team

Over 150 members of the Sports Boosters and other fans will gather at the Marconi Outing Club tomorrow night to welcome members of the Warren High School 1928 football team for their 20th reunion.

Present indications show that 11 of the 15 lettermen plus a score or more of the squad of that famous team of 1928 will be on hand tomorrow and for the home coming game between Warren and Franklin on Saturday.

Among the stars of yesterday were Captain "Angie" Bevevino, one of Warren's all-time running backs; Ray L. Paul, McCommarck; Bill Bevevino; Art Bradford; Jimmy Lytle, Harold Patchen, Loren Bidwell, Art Anderson and Bob Schindler, playing manager of the 1928 team as well as Glenn Mickelson, student manager. Much of the success of the 20th reunion of this team is to be divided among Bob Schindler who has worked out the local details together with Captain "Angie" Bevevino who, from his home in Petrolia, has kept in constant, daily touch with his co-team mate and the local Sports Boosters Committee.

Members of the 1928 squad, lettermen as well as others are invited to meet at the Hotel Carver tomorrow night between 8:15 and 8:30. Two of the out of town players, Bidwell and Bradford are due to arrive on an early evening bus and will be met at the hotel by the rest of the squad. From there the team will go directly to the Marconi Outing Club, arriving around 9:00 p. m.

On account of retail stores being open 'til 9 tomorrow evening very little activity will get under way at the smoker before 9:15 or so. Early arrivals at the club will find plenty to talk over and plenty to eat. It is expected that Head Coach J. E. Lutz and his assistant coaches will be on hand at a fairly early hour together with members of the present varsity.

On account of the Franklin game the following afternoon the Varsity will not remain too long but will be on hand to greet the 1928 squad upon their arrival.

Tickets for the smoker may still be had from most of the community of 18 who had them on sale. They may also be purchased at Mack's News Room, United Cigar Store, Style Shop, B & B Smoke Shop, Don Finleys, Geramos and Texas Lunch. If any tickets are still available as of noon Friday they will be placed on sale at the Marconi Outing Club tomorrow evening.

Every indication points to those fans who attend the stag smoker of having a good time. Informally Poling, J. E. Lutz and his assistant coaches will be on hand at a fairly early hour together with members of the present varsity.

State P. A. C. Will Support Dem. Ticket

Harrisburg, Sept. 16.—(AP)—The Pennsylvania CIO-Political Action Committee today opened a statewide drive to range the labor vote behind President Truman for re-election.

The committee bent to the vote-getting task after its state executive board met here yesterday and endorsed Mr. Truman for return to the White House.

The group at the same time voted to back "congressional candidates favorably considered by the national CIO on their voting records."

The PAC also endorsed Sen. Alben W. Barkley for vice-president and the Democratic nominees for the state's two fiscal offices.

A resolution said Ramsey Black, the Democratic nominee for auditor general, has shown "ability and fidelity" while his Republican opponent State Senator Weldon E. Heyburn, "had steadily voted against the common people."

Sen. W. J. Lane, the Democratic nominee for state treasurer, "has a 100 per cent record of voting right" as a legislator, the CIO added, while Secretary Charles R. Barber, the GOP nominee, has no legislative record.

Jack Kroll, PAC national chairman declared he would wage one "new hat" that President Truman will carry the state's 35 electoral votes if the vote in the state goes about 4,500,000 in November, and if the vote in the nation is 50,000,000. "Mr. Truman will be re-elected."

NO OPPOSITION TO LEWIS IN THE U.M.W.

Washington, Sept. 16.—(AP)—John L. Lewis has been nominated without opposition for re-election to the presidency of the United Mine Workers, the union reported today.

The Aug. 31 deadline for nominations passed without a single opponent showing up in the election lists, the U.M.W. Journal said. There was no opposition to the re-election of Vice President Thomas Kennedy or Secretary-Treasurer John Wenz.

Lewis has headed the U.M.W. since 1920. He has not had a convention opponent for the leadership of the union since John Brophy's challenge in 1931. Brophy now heads the industrial union councils in the CIO.

The U.M.W. convention will be held in Cincinnati, beginning Oct. 5. The elections will be conducted by mail vote.

CITY OF ERIE HAS FINANCE DIRECTOR

Erie, Sept. 16.—(AP)—Joseph A. Walczak, 48, today was appointed finance director to succeed Julian Polasing, who resigned last Thursday charging he could not run his department without outside interference.

Walczak formerly was national financial secretary for the Polish Falcons with headquarters in Pittsburgh.

Word has been received by the Warren County Pennsylvania Week Committee that a representative of the Atlantic Fireworks Corp., of New Castle, will be in Warren for a meeting with the local group Saturday evening to discuss plans for the pyrotechnical display that will top the local celebration here on the afternoon and evening of September 25th.

The meeting will be held in the VFW Post rooms at seven o'clock sharp, and all interested are invited to attend. A contract will be closed at that time for the fireworks display.

39 ARE SAVED AFTER SHIP IS ABANDONED

Fate of Six Members Of Crew of Vessel Lost In Mid-Atlantic Is Still Unknown

COAST GUARD RESCUE

BULLETIN

New York, Sept. 16.—(AP)—Thirty-eight crew members of an abandoned British freighter were rescued today by two ships in the hurricane-lashed North Atlantic, but four others were lost. Coast Guard headquarters said the American rescue ship Cecil N. Bean reported saving 20 crew members of the freighter Leicester from mountainous waves off Cape Race, Newfoundland.

The Leicester's skipper, Capt. H. N. Lawson, messaged the London owners, however, that 39 had been rescued and the fate of six others was unknown.

Earlier, coast guard headquarters here said 38 men had been rescued from the freighter Leicester by an American and an Argentine ship in mountainous seas. The New York agent for the Leicester had said she carried a crew of 39.

The Leicester's skipper, Capt. H. N. Lawson, messaged the London owners, however, that 39 had been rescued and the fate of six others was unknown.

Lawson told the New Zealand Shipping Co. owners, his 7,266-ton vessel was struck by the Atlantic hurricane last Tuesday. In mountainous seas and powerful winds the ship listed to 35 degrees, he said. The vessel was en route from London to New York in ballast.

The ship was abandoned today, Lawson reported. Twenty survivors were picked up by the American rescue ship Cecil N. Bean. Eighteen others and Captain Lawson were rescued by the Argentine ship Tropero.

The Royal Canadian Air Force said from Halifax that several vessels, including two Halifax tugs, were racing at full speed through heavy seas in the hope of salvaging the Leicester.

Coast guard officers said the Atlantic hurricane which swept north from Bermuda had "cut a swathe" through the area where the Leicester was reported abandoned.

Strong winds churned up heavy seas in the region, they said. The Leicester left London Sept. 4, for New York. Her owner is listed as the Federal Navigation Co. Ltd., of London.

Meanwhile the Royal Canadian air force reported that the abandoned Leicester and two partly submerged lifeboats had been sighted about 400 miles southeast of Halifax—approximately the position cited by the coast guard.

Packers Contest Government Suit

Chicago, Sept. 16.—(AP)—The nation's four major meat packers appeared today to square off for a finish fight with the government in its attempt to dissolve them and reorganize into 14 separate and competing companies.

Spokesmen for three of the packers named in the civil antitrust suit filed in federal court yesterday denied charges of conspiring to monopolize the interstate trade of cattle purchases and slaughters.

Higher prices to consumers resulted, the suit said, from the monopolistic practices by the packers—Swift and Company, Armour and Company, the Cudahy Packing Company and Wilson and Company, Inc.

The government charge that the companies suppressed competition by describing "just plain nonsense" by the American Meat Institute.

John Holmes, president of Swift and Company, said the suit was an attempt to "shift responsibility for inflationary prices" during the fall political campaign.

Warren May Be Omitted As Stop Point By All American

Washington, Sept. 16.—(AP)—Civil Aeronautics Board Examiner Warren J. Baker yesterday recommended indefinitely suspension of the 24-mile pickup and delivery service provided in western Pennsylvania and surrounding states by All American Aviation, Inc.

Baker said, however, that suspension of the pickup and delivery service should not begin until the start of conventional type service which All American plans to offer some cities in the area involved.

The pickup and delivery service differs from conventional service in that mail is snatched from the ground by planes in flight and is delivered by dropping it from the air.

The plan asked for suspension of its pickup and delivery service provided the aeronautics board grants All American permission to begin additional conventional service. Baker's recommendation, however, was not based on the granting of such permission, he said.

U. N. Security Council Votes To Look Into Situation In Hyderabad

SPEARHEADS RUSH TOWARD CAPITAL CITY

New Delhi, Sept. 16.—(AP)—India prepared today to take over the government of Hyderabad as soon as Indian troops, already deep in the princely state, win control.

The Indian government announced the appointment of two provincial officials to be joint civil administrators of Hyderabad, and of other Indian civil authorities.

At the same time, a military communique said spearheads of Indian forces pushing forward toward the Hyderabad capital from east and west now are only 125 miles apart.

In the west, an Indian column reached Zahirabad, 443 miles from Hyderabad city and 20 miles south of a Razakar (Mossien Volunteer Army) stronghold at Bidar.

Another column rolled past Surapur, to a point about 60 miles from Hyderabad and its military suburb of Secunderabad.

Many Hurt In Riots During Paris Strike

Paris, Sept. 16.—(AP)—A strike wave spread through France's aviation, automobile and steel industries today, touched off by demonstrations in which more than 100 police and 30 workers were injured yesterday.

The state-owned airline was tied up, involving 4,000 ground crewmen and other traffic personnel at Paris's two main airports, Le Bourget and Orly. Air France planes were not taking off.

Many of the strikes were Communist-led and held the threat of further clashes with police. However, discontent among non-Communist labor leaders—under terrific pressure from the Reds to join the walkout—was growing.

Some 15,000 workers are on strike at the Nationalized Aviation plant. Yesterday's disorders started when a 4,500 of these marched down Boulevard Haussmann protesting the dismissal of 1,700 of their fellow employees.

Communists, not being a part of the new coalition government, are avowedly seeking to overthrow the five-day-old cabinet of Radical Socialist (Conservative) Premier Henri Queuille.

The premier, faced with growing pressure from both the left and right, is drafting measures for additional taxes and price increases.

THOUSANDS OF JAPANESE FLEE AS TYPHOON WHIPS COUNTRY

Tokyo, Sept. 16.—(AP)—Ten central Honshu prefectures were lashed by a typhoon tonight as winds up to 60 miles an hour zipped east of metropolitan Tokyo.

At least two were dead, three injured and 23 missing in the 10 prefectures, early reports indicated. Torrential rains deluged sections north and west of Tokyo sending rivers on rampages. Thousands of Japanese fled as rivers threatened to engulf their homes.

Fears were expressed for the ripening rice crops. Residents of Shimizu, 50 miles south of here, cringed with terror as four storm-lashed Japanese vessels were tossed about the harbor where the American freighter, Governor Ellis, was trapped as it loaded explosive ammunition to strike the type of cargo that wrecked Texas City last year.

The center of the storm passed west of the city at 8:30 p. m. (7:30 a. m. EST).

Haneda airport reported only slight damage from the high winds. Four American B-29s landed at Misawa airport during the storm.

Government trains which had been halted, resumed their schedules. There were no report of interruptions during the night.

Pioneer Warren Merchant Passes After Long Illness

This community and entire section is today mourning the death of its oldest merchant and one of its most beloved and best known citizens, Aaron A. Printz, president of the Printz Stores, Inc., who passed away last evening at 7:30 o'clock at the family residence, 204 Fourth avenue, following a lengthy illness.

A resident of Warren since 1896, when he and his brother opened the Printz Company store at 214 Second avenue, its present site, Mr. Printz had literally thousands of friends in all walks of life, attracted to him by his kindly and genial qualities. His passing leaves a void in Warren's business and social life, where he was held in high regard for his integrity and interest in this community's welfare.

Funeral services will be held from the home at two o'clock Saturday afternoon. Friends may call at the residence any time after seven o'clock this evening and are asked to kindly omit flowers.

Aaron Anthony Printz, a son of Abram and Rosa Walgumuth Printz, was born in Youngstown, O., February 28, 1866. Following the completion of his education in the schools of that city, he entered the employ of S. J. Sturges and Hirschberg, drygoods firm, where his abilities and industry gained him promotions in quick succession until, at the age of 19, he was in charge of one of the most important sections of the store.

In 1886 he joined his brother, H. H. Printz, in founding a clothing and men's furnishings establishment in Sharon, which was the first store in the seven which now make up the Printz Company Stores.

In 1888 they purchased a clothing store in Franklin and conducted it as "Printz Brothers." In 1896 they bought the business of J. D. Woodard at 214 Second avenue, this city. Although Mr. Printz's interests were of necessity divided among the many stores, the Warren store was his first love and he took an active part in its direction. Other Printz Company stores are located at Oil City, Kane, Franklin, Jamestown, N. Y., Youngstown and Warren, O.

He was greatly interested and exceptionally active in many fraternal and social organizations. He was a life member of Mistle Lodge, F. and A. M., in Franklin; a life member of Zion's Temple, and was affiliated with other Masonic bodies, including the Scottish Rite Consistory at Conoverport.

Mr. Printz was an honorary member of Warren Lodge, No. 223, B. P. O. E., and the last surviving charter member of Franklin Lodge, No. 116.

A charter member of the Conewango Club, which he had served as president, Mr. Printz was also an enthusiastic member of the Conewango Fishing Club, of which he was president at the time of his death, and which he had led as "Club" on many expeditions to the club's camp on Lake Tolen, Canada.

He was a founding member of the Conewango Valley Country Club and a charter member of the Warren Rotary Club. He was also a member of the Chamber of Commerce and a director of the Community Consumer Discount Company.

In all of the organizations to which he belonged, as in the daily life of Warren, "Aaron," as he was affectionately known to young and old alike, contributed a sparkling wit and radiated a natural charm and geniality which will long be remembered by those fortunate enough to be associated with him.

Aaron Printz responded generously to charities and community work.

WALT DISNEY'S "MELODY TIME" AT LIBRARY THEATRE FRIDAY AND SATURDAY

Wildwest wowing in American legend and the conquest of Bluefoot Sie by the redoubtable Pecos Bill—is the tonight highlight in Walt Disney's new musical cartoon fantasy "Melody Time" in color by Technicolor.

Disney makes quite an animation thing of Pecos Bill's prowess and peccadilloes alongside six other vivid pieces of Americana in a brilliant collage of fun, spectacle and musical antic.

The entrancing companionate hero is Johnny Appleseed, the mild and modest planter of orchards in the new clearings of Ohio, Indiana and Pennsylvania, but also a picturesque figure of mingled fact and fancy.

Of Rogers joins the Disney animation in bringing out the character and the mighty deeds of the Pecos Bill while Dennis Day speaks and sings through the Johnny Appleseed cartoon.

Other top names of screen and radio associated in the "Melody Time" episodes are: The Andrews Sisters in Little Toon; Fred Waring and the Pennsylvanians in The Dinning Sisters; Blaine Irwin on the Samba; Freddy Martin and Jack Fina in Bumble Boogie; Frances Langford in Once Upon a Wintertime; Bobby Driscoll and Luana Patten and Buddy Clark as narrator together with a host of fascinating new cartoon characters.

School For Adventists Is Resuming

Among the many schools opening throughout the community is a small one located in a basement room of the Seventh Day Adventist church in Fourth avenue and now in its third year.

The room has been redecorated and some new furnishings added. Miss Jean Engle, of Erie, is to be the teacher.

There will be classes in grades 1-8, with the exception of 4-5. Adventists are unique among protestant churches in having an extensive system of schools of all

grades, which enable the children and youth of the denomination to obtain complete education from kindergarten through graduate and professional levels.

Adventists are not opposed to public schools and state they think the public school system of the United States the best of any country in the world, but believing that a Christian education is one of the major factors in the growth and strength of the church, they are opening new schools all over the country and investing much money in these schools.

Beginning with a single school enrolling 90 students in 1872, the Adventist educational system has grown out of a belief in the importance of religious education and at the same time a strong conviction that religion instruction in public schools violates the principle of separation of church and state as set forth in the Constitution.

In the United States, the church operates 885 elementary schools, 71 secondary schools, 12 colleges, a medical school, a theological seminary, a correspondence school, 16 nursing schools of dietetics, and schools of medical technology and physical therapy.

FLAG DEDICATION

A cordial invitation is extended to the public to participate in a flag dedication to be held at 4 p. m. Sunday at the Greek Catholic church, St. Nicholas Grove on the old French road, to be conducted by the 112th Infantry, Pennsylvania National Guard, unit of Erie. Mass will be celebrated at 10:30 a. m. and an ox roast will be served at noon.

Telegraphic dispatches to Corry brought word that Second Mate Harold Hopkins, son of Mr. and Mrs. Edward Hopkins of Corry, lost his life in an explosion aboard the tanker Shreveport off the North Carolina coast Monday.

NAMES CANDIDATE

The executive committee of the Pennsylvania Democratic party has named John W. Collins of Oil City as the party candidate for the General Assembly. He replaces George W. Hughey of Oil City, who was nominated and withdrew.

CRUISER LOCATED

Erie coast guardsmen reported late Saturday that the Vagabond, a 34-foot cabin cruiser reported missing since Wednesday, has returned safely to Port Dover, Ont. According to the report, the craft ran out of gas in Lake Erie and was stranded until sighted by a fishing tug which towed it into port.

CRASH NEAR TIONESTA

Damages estimated at \$1,200 were caused to two cars at 5:30 a. m. Tuesday when a truck, carrying a car, and operated by Harold A. Strouse of R. D. 2, Reynoldsville, turned over on Route 36 hill near Tionesta, according to state police. No one was hurt.

TOO MANY STUDENTS

With an enrollment of over 1,100 new students in Allegheny College at Meadville this fall, further applications will be declined, according to Dr. Louis Benezet, the new president, who says the "saturation point" in house and class room facilities has been reached.

DISMANTLING ANNEX

Dismantling of the old frame annex to the Colonel Drake hotel in Titusville began Monday. C. A. Wright, contractor, expects to have the job completed by Oct. 20. Hotel directors and Norman Tinkham of Jamestown, N. Y., met yesterday to discuss plans for the new annex.

PITTSBURGH SPEAKER

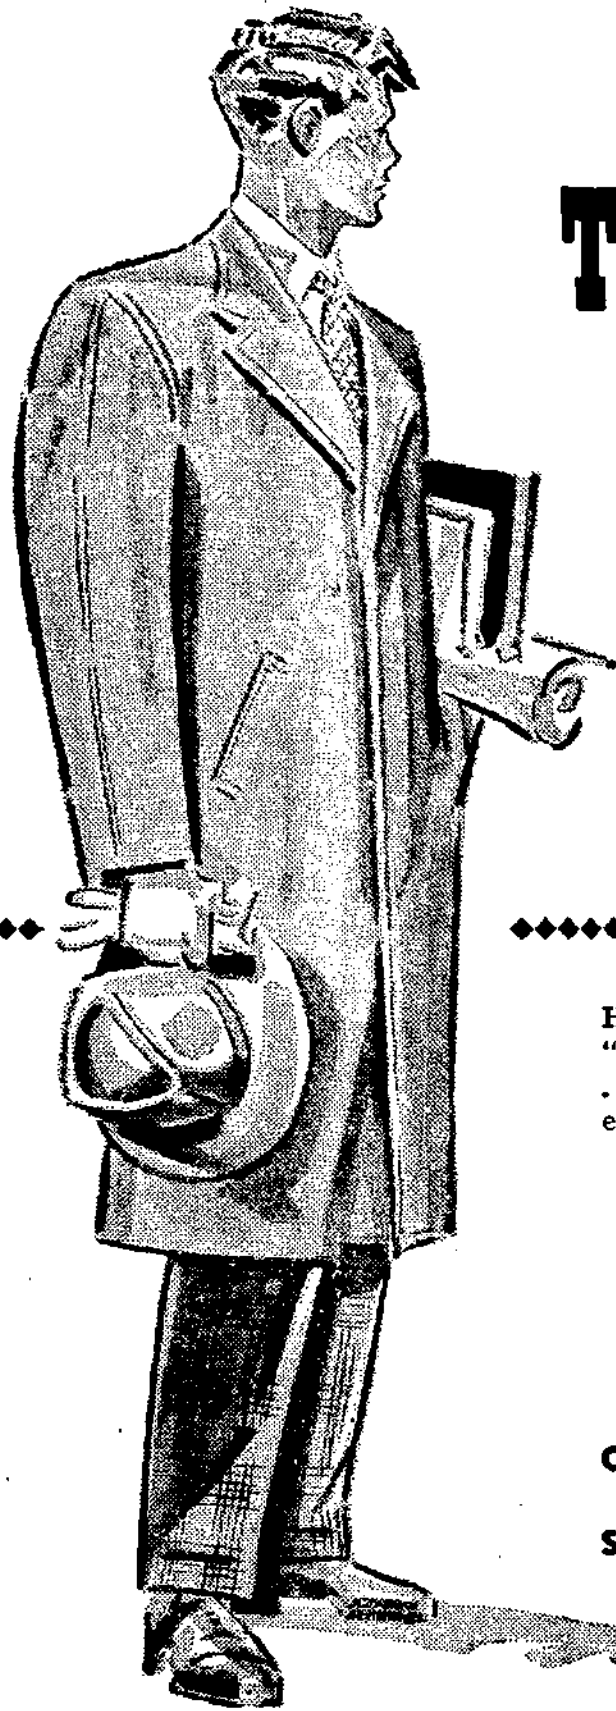

Dr. George Kastlin, professor of medicine at the University of Pittsburgh School of Medicine, will discuss "Clinical Use of Mustard and Its Relation to Radioactive Materials" at the September meeting of the Warren County Medical Society, to be held at Warren State Hospital on Tuesday afternoon.

TEACHER PROBLEM

An organizational meeting to determine whether extension classes will be provided for teachers in the Corry schools system will be held in the Corry Junior High School this Friday. The extension classes were held last year for several teachers working for additional credit.

IN APPRECIATION

I wish to thank my friends and relatives for their many visits and the beautiful flowers and cards sent me while in the hospital. Mrs. Henry Gittman, Russell, Pa. 9-16*11.

EDUCATED DRIVERS ARE SAFE DRIVERS

The number of American high schools offering driver education courses almost doubled during the past school year. The students enrolled in this type of safety training almost tripled.

Such revelations are gratifying to those of us concerned with safety, for it has long been an accepted fact that youths with instruction in safe driving are involved in about 60 per cent fewer traffic accidents than are those without the training. Not only that, driver education courses tend to develop a safety consciousness in the pupil which is reflected in all other fields where hazards occur. He learns to live safely in this modern, mechanized world by acquiring proper safety habits and attitudes. Hence, the growing acceptance of driver education as a necessary part of the secondary school curriculum is a long stride toward the eventual total reduction of preventable losses in life, limb and property.

A tabulation of the records of states participating in the annual "Driver Education Award Program" of the Association of Casualty and Surety Companies gives a fair picture of the progress made during the past year. Thirty-eight states took part. In 25 states, where complete information was submitted for the awards, 3,055 secondary schools are now teaching driver education where only 1,751 had such courses the year before. Even better progress was made in student enrollment, with 223,230 taking the training this year compared with 83,661 the year before.

But even with these strides, there still remains a great deal more to be done. We must face the fact that we now have driver training courses in only about 15 per cent of the nation's 46,000 high schools. Obviously, this is a long way from the desirable goal of courses in all secondary schools and all of the eligible students enrolled. When that goal is reached, it is certain the number of tragic automobile accidents on our streets and highways will be appreciably lower than they are today—for a new crop of safe, sane and courteous drivers will be behind the wheel.

TIME RUNNING OUT

The time is running out rapidly so far as arrangements for Warren's big Pennsylvania Week Parade, Saturday, September 19th, is concerned.

Those in charge are anxious to see every industry, business establishment, lodge, civic club and other organization in the county represented.

In order to be assigned a place in the parade it is important that entries be sent in as early as possible. This may be done by mailing them to "The Jaycees, Box 147, Warren, Pa."

This is a project promoted as part of Warren's observance of Pennsylvania Week, in which everyone is urged to participate as patriotic and civic mediums to demonstrate local interest in the Commonwealth of Pennsylvania and the Community of Warren.

The success of the celebration depends upon the co-operation received and interest shown by every community in Warren county.

Don't delay. The more floats, decorated trucks, marching units and musical organizations entered, the bigger and better will be the parade.

YOU CAN HAVE IT

Do you know what you want from life? That is the really important thing to decide. If you know, weigh the costs, the trouble, the sacrifice. Is it worth the price?

If it is—if you're positive it is—and if you're willing to pay the price, the rest is simple. Life is difficult only because we complicate it with indecision. Once we know what we want, the road is filled with guideposts which will lead us directly to our goal. So says Ted Malone, writing in Your Life.

Actually, most of the things we really want in life are very simple. It's the mass of things around us that sometimes confuses us. Life is like a menu with a long list of good things to choose from. It's hard to decide. But, with a menu, we have trained ourselves to choose, and our hunger is satisfied.

If we will just decide what we want of life, we can have it, too. The mistake is when we sit staring at the menu until we starve to death.

According to reports the visit of the Freedom Train in Oil City Sunday will draw a large number of interested residents from Warren and the surrounding area.

Be sure and plan to attend the Sugar Grove Fair, now under way, and pronounced one of the best in the history of that progressive community.

Down in Tyrone where they have a soot problem they refer to the nuisance as "air-borne dirt in the borough." Just like Warren, Tyrone housewives have been complaining about the soot for a long time, but the officials seem to be trying to do something about it over there.

Report of a survey, made by Dr. H. B. Charnbury and two assistants from State College, was submitted to the Tyrone council this week, by the chairman of the Tyrone Dirt and Smoke Commission. Dr. Charnbury reported that airborne dirt samples were collected July 29 from 40 locations in the borough. At the time of the test, the wind was from the north, northwest and had a velocity of 3.1 miles an hour, the temperature was 85.7 degrees and the humidity was 36 percent. Each dust sample was analyzed and the concentration of dirt calculated in number of particles in each cubic foot of air. These, Dr. Charnbury reported, ranged from 200,000 to 9,500,000 in each cubic foot. The particles ranged in size from one to ten microns. Incidentally, a micron is approximately one twenty-five thousandth of an inch. Most of the particles were of smaller size. By plotting the dirt concentration on a map of the borough, Dr. Charnbury determined the greatest concentrations to be in the south end and in the north-east end of the borough. These areas he termed the "two dust-producing areas." He said the probable source of the dust in the southern area is the trains in the Pennsylvania Railroad yards. In the other area, he said, the dust probably comes from the trains on the Tyrone Branch of the PRR and from the stacks of the West Virginia Pulp and Paper Co. mill.

House guests at the David Beatty home in Conewago avenue are Mr. and Mrs. Paul Palmer and Miss Tower, of Miami, Fla., and on the Beatty lawn sits their lightning sailboat which they took all the way from Miami to Canada to compete in the international lightning races. They finished around 20th in an entry list of 150, but

didn't mind too much since it was their first experience in sailing without tides. Friends are telling them maybe they aren't fresh water sailors!

This And That: The Evening Mirror, in the file of forty years ago today reports, "The chestnut trees are literally covered with burrs and the prospects for a large crop is exceptionally good, and some of the weatherwise are already on deck with predictions of a severe winter by reason of the plentiful supply of nuts for squirrels, bears, etc., and the early frosts with which this section has been visited will bring the chestnuts into the market at an unusually early date." President Truman calls for nationwide observance of October 12 as Columbus Day, in a proclamation in which he says "the discoverer of America broadened the world's horizons through his keen vision, his indomitable spirit, and his unflagging persistence."

Mr. Truman also calls for observance of the week beginning October 3 as "National Employ the Physically Handicapped Week." According to Game Protector Don Miller, of Titusville, the prospects for good game bird hunting in the area the coming season are better than for a long time, with wild fowl, particularly ring-necked pheasants and reared more chickens than for a long time. Some encouraging reports emanated from a meeting of interested baseball fans in Olean this week at which time plans were discussed for keeping the Olean Oilers in the PNOY league—it will be recalled the Brooklyn Dodgers, operators of the franchise in Olean, pulled out shortly before the league end. When Coach Bob Pfing and the Bradford High School Owls open the 1948 season in Bradford Friday night, against the DuBois High School Beavers, Warren fans will be watching the outcome with keen interest, since the Dragons are scheduled for a night game at Bradford, October 15th. Another area grid game to watch over the weekend will be Oil City

at Grove City, since the Oilers have a game booked with the Blue and White October first. The parking meters up at Kane, installed February, 1947, on a half and half basis, under which the company and the borough were to split the revenue until the meters were paid off, have finally paid for themselves, and along with this report it is announced the income for the month of August from the 121 meters was more than \$1,100. DuBois fans will get an extra helping of football this week when Falls Creek meets Brookville high in the DuBois high stadium this evening, the switch being made to the DuBois gridiron because the Potter gridiron is not ready for use. Up at Kane the Community Concert Committee has set a goal of 650 members for the present season, and if this number is reached one of the programs presented there will be the Don Cosack Chorus dancers under the direction of Nicholas Kosstrukoff, conductor.

HIGHWAY FATALITIES BELOW LAST YEAR

Harrisburg, Sept. 15—(P)—Highway accidents brought death to 799 persons in Pennsylvania during the first seven months of this year.

This is still 6.1 per cent under the fatality rate for the same period in 1947, the State Bureau of Highway Safety reported. The toll for the period last year was 851.

The biggest drop in the seven-month period was in urban accidents which went down 11.8 per cent. The rate in rural sections declined only 1.8 per cent. In July, there were 131 persons killed compared with 140 a year ago. The decrease was due entirely to a drop in urban accidents. Those in rural sections went up 3.4 per cent.

CARNIVAL By Dick Turner

YEARS AGO IN WARREN

Interesting Items Taken From The Warren Evening Times

1928

A Scottish Rite Club of Warren county, comprised of men affiliated with the Consistory Body of the Masonic order, was formed at a banquet in the Masonic Temple. W. F. Bennett was named president of the organization. Other officers chosen included W. E. Yeager, vice president; Henry O. Walker, secretary; and Elliott Greenlund, treasurer. State officials reported 118 billion cubic feet of natural gas were sold in Pennsylvania during 1927. . . . A \$150,000 blaze levelled four homes and 12 stores in the business district of Wattsburg, Erie county. The blaze started from an overturned oil stove. The vaudeville troupe known as Scotty, Friedell, Sid Gold Company left for Niagara Falls after an engagement at the Library theatre. . . . Mrs. Johanna Moberg of 106 Water street, was painfully hurt when she was struck by an automobile while crossing Pennsylvania avenue, west, near the postoffice. . . . The headlines told of an estimated thousand persons being killed in the "Florida East Coast Visited By Tropic Terror." . . . George Files, of Brown Run, was fatally injured in a two-car traffic accident east of Glade bridge.

1938

Long shadows in the headlines: "World Awaits Chamberlain's Report"; "Hitler Is Firm For Cession"; "Studentan Party Is Dissolved." . . . Capt. George E. T. Eyston established a new automobile speed record of 337.5 miles per hour at Boneville Salt Flats, Utah. . . . The Navy awarded a \$118,348 contract for gun barrel forgings to the National Forge and Ordnance Company at Irvine. A news dispatch from Washington said Warren was included on the route to be served by one of the Postoffice Department's two experimental airmail pickup and delivery lines. . . . E. J. Fox, manager of the Stanton Iron Works of Nottingham, England, was named honorary judge for the horse show held in connection with the annual Youngville fair. . . . Other judges were Jimmy Thompson of Ravenna, O., and Walter Cox of Ludlow. . . . Cost of living note: Butter, special prints, two lbs, 53 cents; fresh ham roasts, 29 cents lb.; fresh dressed fowls, 25 cents lb.; soap, 10 bars, 42 cents; mild cheese, lb. 17 cents. . . . The big six swatters in the major leagues were Fox with a .348 average; Lombardi with .345; Averill and Heath each with .337; Weintraub with .332 and McCormick with .331.

LARGE ESTATE

An estate expected to approximate at least \$150,000 was admitted for probate in Erie county court. The estate is that of Mary E. Weir, widow of Carol S. Weir, former Hazenmiller Paper Co. official. Mrs. Weir, who died August 22, stipulated that \$100,000 be placed in trust, one-half to go to a granddaughter, Mary Hubbard Weir, and one-quarter each to a grandson, Frank H. Wallace, Jr., and granddaughter, Carol Weir Wallace.

From where I sit... by Joe Marsh

"Farming" Versus "Ranching"

Talked to some editors who run my column in their papers—in states where there's mostly cattle and sheep raising—about the differences there might be between farming and ranching.

And they told me: "Joe, there's no real difference between cattle-men and farmers. We make our living from the land like your folks do; we have the same 4-H Clubs and Granges; the same problems of prices and marketing.

"When it comes to recreation, we have the same liking to get to-

gether now and then for a barbecue and a friendly glass of beer." And from where I sit, that about sums it up. Ranchers may have different names for things or grow different crops. But all over America folks who work the land share the same common traits of hard work, sober moderation, and good fellowship, whether they're growing cattle for beef, or barley for good American beer and ale.

Tutmaher-Henning Nuptials Are Read In Local Rectory

St. Joseph's rectory was the scene of an impressive late summer wedding on Saturday, September 4, it is announced today, when Miss Elaine Marie Henning, daughter of Mr. and Mrs. Alton Henning, of Youngsville, became the bride of Joseph Paul Tutmaher, son of Mr. and Mrs. Andrew Tutmaher, Sr., of Chandlers Valley.

Father Alfred Bauer performed the ceremony at 12:30 p. m. in the presence of the immediate families. Decorations were carried out with bouquets of gladioli.

The maid of honor, Miss Linnea Henning, sister of the bride, was attired in a colonial-styled gown of light blue faille. The bridesmaid was Mrs. Sophie Bosko, sister of the bridegroom, wearing a colonial gown of yellow faille. Both had matching coronets and slippers and carried colonial nosegays of rosebuds, pompons and cosmos.

Groomsmen were Andrew Tutmaher, Jr., and John Tutmaher, brothers of the bridegroom.

The bride was given in marriage by her father. She was lovely in a gown of white satin, with fitted bodice and gathered skirt with full train. The sweetheart neckline was outlined with seed pearls and long sleeves were pointed over the hands. Her veil fell fingertip length from a white satin crown, also outlined with seed pearls. Her fan-shaped bouquet of white rosebuds was centered with a corsage of white gladioli and showered with white satin streamers. A single strand of pearls, the bridegroom's gift, completed the beautiful costume.

A reception for the immediate families followed at the home of the bride's parents. A reception was also held in the evening in the IOOF hall in Youngsville for about 200 guests. Decorations were carried out with bouquets of gladioli and a five-tier wedding cake, topped with bridal figures in miniature, centered the table. Aides were Mrs. Edna Jacobson, Mrs.

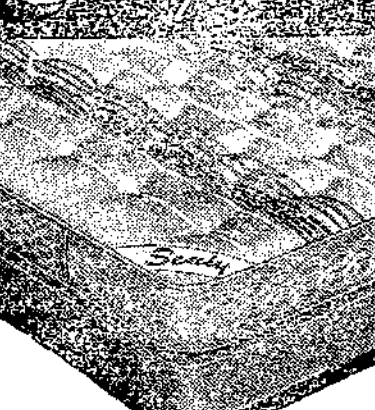

Jessie Hedstrand, Mrs. Andrew Sivi, Sr., and Mrs. Helen Nosel. The newlyweds left on Tuesday for a wedding trip through Canada, returning via Illinois and Ohio. For travel, the bride chose a two piece gray dress, black accessories and a corsage of white gladioli. They are residing with the bride's parents in Youngsville.

The bride is a graduate of Sugar Grove High School and the bridegroom attended the same school. Both are employed by the Weber-Knapp Company in Jamestown.

Mrs. Andrew Tutmaher, Sr., gave a pre-nuptial shower for the bride-elect.

Out of town guests for the wedding came from Cleveland and Warren, O.; and Jamestown, N. Y.

BPW Membership Starts New Year At Dinner-Meeting

Fifty-one members and guests attended the first fall meeting of the Warren Business and Professional Women's Club, held Tuesday evening at the YWCA activities building.

The membership committee acted as hostesses, and the table was prettily decorated with fall flowers and tall candles.

Captain A. F. Dysart and his wife, of Elizabeth, N. Y., whose summer home is at Onoville, N. Y., were special guests. Captain Dysart, who served in the navy in both world wars, told of the importance of the navy in our defense program, the splendid training young men receive, some of his own experiences, injecting some humorous anecdotes.

Reports were read by the secretary, Viola Flowers, and treas-

urer, Mina Rieder. Two new members were welcomed, and two more applications were acted upon. It was voted to send a Christmas gift to the Club's adopted Belgian boy, Willie Limpens, and a letter from him, enclosing a couple of snapshots, was read by Violet Peterson.

President Ruth Karr reported on the District Council meeting which was held at Thiel College, Greenville, last Saturday, which she and Viola Lindmark had attended. Several changes in district procedure were brought to attention of the club. She also stated the 1949 state convention will be held at Bedford Springs June 5-4-5th and it is not too early to be planning on this.

The fall meeting of District One will be held in Union City on Saturday, October 2nd, and delegates appointed were Charlotte Smith, Elizabeth Brasington and Geraldine Ross, alternates, Sigrid Pearson, Doris Bassett and Margaret Gieselbrecht. The president also urged that all who can will attend this meeting in order to receive first hand the plans and program for the coming year.

Meadville Teacher Becomes Bride Of Youngsville Man

Mr. and Mrs. Nell H. Rounds, who were married in the Harborsburg Methodist church last Sunday, September 12, have returned from a short wedding trip and are now at home to friends in Youngsville.

The ceremony took place at 2:30 p. m., Rev. Ralph E. Tidmar, Methodist minister of Sharps, reading the service which united in marriage Mrs. Helen F. Groves, of Conneaut Lake RD 1, and Nell H. Rounds, of Youngsville.

Miss Edith James was at the piano for wedding music and altar decorations were attractively carried out with yellow glads.

The bride, given in marriage by her father, Grant Faust, wore a suit of hunter's green, with gray accessories, and a corsage of yellow roses and chrysanthemums. Her only attendant was her sister, Mrs. Joseph Van Koring, of Conneaut Lake, who wore a wine colored suit, black accessories and a corsage of mixed fall flowers.

Lester Kinnear, Cleveland, O. served as best man and ushers were Robert Growall, son of the bride, and Clyde Faust, Jr., of Conneautville, a nephew.

Following the ceremony, a reception for about 150 guests was held in the church parlors, with the F. H. C. Class, of which the bride is a member, in charge of arrangements. A wedding cake was featured in the refreshments and yellow glads centered the table.

Mrs. Rounds has been a teacher at First District School in Meadville for the past several years. Mr. Rounds is employed by the Weatherseal Company of Erie.

ALLEN CLASS

Announcement is made that the September meeting of the Allen Class of First Methodist church will be held at the YWCA activities building, next Wednesday evening at 6:15 o'clock. Dr. LeRoy B. Campbell, as guest speaker, will tell to his summer European trip.

Jeannette Ellen Mead-Donald E. Siffin United In September Church Rites

First Lutheran church was the scene of a pretty wedding on Saturday evening, September 4, when Rev. Edward K. Rogers united in marriage Jeannette Ellen, daughter of Mr. and Mrs. Gerry R. Mead, of Russell, and Donald E. Siffin, son of Mr. and Mrs. J. C. Siffin, Clarendon.

The ceremony took place at seven in the evening, with a background of baskets of white glads and chancel lights. Mrs. Dorothy Engstrom, organist, played the traditional nuptial selections and was accompanied by Lillian Ristau, who sang "The Lord's Prayer" and "I Love Thee."

The bride was attractively gowned in skimmer satin of brical pink shade. Her gown was styled with an off-the-shoulder bertha, with net insert showing just above the bertha, long sleeves, pointed at the wrists, and full skirt with court train. Her three-quarter veil was of matching satin, with outline of orange net, and her bouquet was fashioned of white rosebuds.

Given in marriage by her father, she was attended by her sister, June, as maid of honor; Mrs. Helen Kramer and Mrs. Jeannette Erickson, as bridesmaids; Jean Barnes and Dorothy Nelson, as bridesmaids, with Joanne Marlett, of Corry, as her cousin's flower girl. Completing the bridal party were Lynn Kramer, Frantz Reif, Warren Reif and Raymon Billstone, as ushers, Lyle Snively, as best man.

The maid of honor wore dusty pink with off-the-shoulder neckline and net overskirt. A stiffly starched lace bertha and inserts in the skirt matched her headpiece. Her bouquet was fashioned of pink rosebuds. The remaining attendants were gowned alike in dotted marquisette of pink, blue, maize and aqua, with off-the-shoulder berthas and bustle-backs. Headresses matched their frocks in color. Mrs. Erickson wore aqua and Miss Nelson wore pink, each carrying pink rosebuds. Mrs. Kramer was in maize color and Miss Barnes in blue, each with yellow rosebud bouquet. The little flower girl wore yellow organdy, with scalloped bertha and a matching headpiece, and carried a basket of rose petals. The bride's mother was attired in gull gray with navy blue accessories and Mrs. Siffin wore cocoa brown with darker brown accessories. Their corsages were of yellow roses.

The reception was held at the Ristau cottage following the ceremony, with the bride's table holding a four-tier wedding cake topped with miniature bride figures and flanked by tall white tapers. Mrs. Joseph Jurga served the wedding cake and Miss Doris DeVore was in charge of the guest book.

Guests included the following from out of town: Mrs. Charles Anderson, Mr. and Mrs. Jack Pryne, Miss Margaret Anderson, Gregory Wells, Syracuse, N. Y.; Mr. and Mrs. Russell Jackson, Jamestown, N. Y.; Mr. and Mrs. Joseph Jurga and daughter, Ann, Schenectady.

Later, the couple left for a honeymoon at Sturgeon Point Lodge in New York State, and will make their home in Philadelphia, where Mr. Siffin will continue his studies at the University of Pennsylvania.

The bride was graduated from the local high school in 1947 and has since been in California.

The bridegroom, alumnus of the local high school with the class of '43, was in service for two years, flying B-24's with the 15th Air Force in Italy, and has completed a three-year pre-vet course at Penn State.

Those who have honored the bride-elect with showers were Mrs. Electa Marlett, Mrs. Otis Marlett, Mrs. J. C. Siffin, Mrs. Helen Kramer and Miss Dorothy Nelson.

LIFE IN THE PEACETIME NAVY

Chief Earl R. Funk, of the local U. S. navy recruiting station, located in the post office building, room 207 Warren, Penna., stated today—from the day you join the navy you earn while you learn. The moment you go on active duty, you are on Uncle Sam's payroll. First, you go to one of the great naval training centers. The navy pays your way. You remain at the training center for several weeks. During this time you get to know real navy life, navy traditions, navy regulations, and you have an opportunity to qualify, by your ability and initiative, for training in the trade in which you want to specialize.

Is there an equal chance for every man?—This question was answered by Chief Earl R. Funk, by saying every recruit has an equal chance for assignment to one of the navy trade schools. Men who are not selected are sent to sea for practical experience. This does not mean that they have lost their chance for training. Once they show that they are qualified, they may be returned to shore duty to attend advanced trade schools where they can become experts in the trade for which they have shown themselves best adapted. For further information see your local navy recruiter Earl R. Funk, located in the Post Office building, Room 207, Warren, Penna., or call 2670 between the hours of 0830 and 0430.

Corry Couple Wed September 5th In Youngsville Home

Youngsville, Sept. 16—A pretty wedding took place at 2:30 p. m. Sunday, September 5, in the home of Mr. and Mrs. L. O. Mourer, 19 Fifth street, when Mrs. Mourer's sister, Miss Gwendolyn Chase, daughter of Mr. and Mrs. Frank E. Chase, Corry, became the bride of Mr. Blakeley, son of Mr. and Mrs. William Blakeley, also of Corry.

honor, Mrs. Betty Chase Mitchell, wore a brown traveling suit and also carried yellow roses.

The best man was the bride's brother, Harold Chase, of Corry.

A tea was served immediately following the ceremony, which was attended only by members of the immediate families. Among those present were the son of Mr. and Mrs. Mourer, Larry Mourer, Jr. back home on his first furlough from Camp Dix, N. J.

The newlyweds have returned from a wedding trip and will make their home in Corry, where Mr. Blakeley has a position with the General Electric Company of Erie.

Women Golfers to Conclude Season At Tuesday Dinner

Next Tuesday evening, the women golfers of the Conewago Valley Country Club will have a dinner at the clubhouse, this taking the place of the usual luncheon and marking the official close of the women's activities for the season.

The golfers will have a nine-hole match in the afternoon, the play, for all golfers and non-golfers, to be in the form of an approaching and putting contest.

In the September 7th match, the women golfers competed for the fewest putts, with Mrs. E. G. Hamilton and Mrs. W. O. Lawson tied at 30. Mrs. Hamilton having the lowest handicap, received the prize. In Division Two, Mrs. Byron Knapp won with only 33.

The gross for the day was tied by Mrs. Sidney W. Blackman, Mrs. Lawson and Mrs. Hamilton, all with 99's. Mrs. Blackman's low handicap allowed her another leg on the Prints Prize.

In Division 1, the link went to Mrs. Blackman with 99-14-95 and in Division 2, Mrs. Anderson, who is beginning to resemble a centipede with this additional leg on the Kirberger Trophy, won the link with her 116-43-75. Her posted score showed she had lowered her handicap three points within the week.

Blue Sockings Begin New Season

Blue Socking Club members held their opening fall meeting at the summer cottage of Mrs. E. E. Koebley, near Akeley. A delightful luncheon served by the hostess was much enjoyed by the 20 members in attendance.

Following the luncheon, the regular business session was conducted by the newly-elected president, Mrs. C. Vance Weld, who graciously thanked the various committees for their splendid work, with special mention of the program committee composed of Mrs. Koebley, Mrs. Warren R. Carlin and Mrs. J. E. Hill.

The program for the year was read and approved, this outline showing much thought and planning on the part of the committee and including a number of outstanding speakers secured for the coming year.

Next regular meeting will be held at the YWCA activities building on September 28, with luncheon arrangements in charge of Mrs. R. E. Sires and Mrs. Florence Thilston.

1st Presbyterian Units Have Party For Recent Bride

The Elvidge Class and Arbutus Missionary Auxiliary of the First Presbyterian church gathered at the church for a tureen dinner and honored Mrs. Mabel Hays Barrett, who has recently married.

The large U-shaped table was decorated with fall flowers and candelabra holding white tapers. A huge bride's cake was presented to Mrs. Barrett, with all receiving a serving. She was also presented with an electric Toaster-master, responding with her appreciation and thanks.

The business meeting and program were held in the parlors of the church, with Mrs. Nestore Bartholomew singing the following selections: "Lullaby", Brahms; "The Last Rose of Summer", Wilson, and "Four Little Grasshoppers" by Longacre. Her accompaniments were played by Miss Gladys Taylor. After these, Mrs. C. L. Guignard conducted the devotional period.

Mrs. Robert Winger gave a report of the Institute of Missions held at Chautauqua August 22-29, showing that this institute of world missions, directed by Miss Louise Woodford for the 11th year, brought a number of world leaders whose great contribution is to make their listeners more vividly aware of the worldwide mission of the Christian church and the desperate need in our own and other lands for a powerful and collective demonstration of Christ-like living.

The October meeting of the Arbutus Auxiliary will be held at the home of Miss J. Mabel Siggins.

Barnes Resident Weds Kane Girl

Barnes, Sept. 16—In a pretty summer afternoon wedding solemnized on Saturday, September 4, in the First Congregational church of Kane, Miss Vivian Myers, of Kane, became the bride of Bertram C. Schreckengost, of Barnes.

The Rev. Walter J. Thoms, pastor, read the wedding service at two o'clock.

Attendants were Mr. and Mrs. Ernest Schreckengost, of Warren, brother and sister-in-law of the bridegroom.

The bride wore a blue gabardine suit with gray and navy accessories. Her corsage was fashioned of orchids. Mrs. Schreckengost, matron of honor, wore a gray tailored coat-suit with white accessories and a gardenia corsage.

Following the wedding, a luncheon was served at the Penn-Kane Hotel for the bridal party and a number of friends and relatives. The bride's table was attractively decorated with garden flowers and centered with a wedding cake, topped with wedding bells.

After a wedding trip along the Atlantic, Mr. and Mrs. Schreckengost are residing at Barnes.

MOTHERS CLUB HEARS DR. BALL

Common diseases of children's eyes were described by Dr. William L. Ball for the Pre-school Mothers Club meeting held at the home of Mrs. J. L. Davis. Dr. Ball pointed out that "rattle eye", which frequently accompanies a child home from school, looks more serious than it really is. He emphasized that children with squints should be fitted with glasses when quite young in order to save vision in the eye which is turned. In a question period following the talk, there was discussion of inherited eye abnormalities, drug used to treat the eyes, and serious eye diseases.

The club voted assistance to the Warren County Children's Aid Society as its project for this year. Refreshments were served by the hostess and the following committee: Mrs. J. A. Bevevino, Mrs. M. J. Gaghan and Mrs. D. C. Andrew.

MARY ROOS WILL OBSERVE OPEN CHURCH

Mr. and Mrs. Hilmar Roose, 1618 Pennsylvania avenue, east, announce that their daughter, Miss Mary, will observe open church for her marriage to Thomas Schorman, 11 East Third avenue.

The ceremony will be performed in St. Paul's Lutheran church at 7:30 p. m. Saturday, September 18.

HONOR NEWLYWEDS AT EVENING PARTY

Mr. and Mrs. Alfred Mullhaupt, 11 Franklin street, entertained at their home with an evening party honoring Mr. and Mrs. Carl Moore, newlyweds. After a pleasant evening of games, the five couples enjoyed refreshments from a table attractively set with summer flowers and presented the couple with a gift for their new home.

Lander Resident Weds Ohio Girl In September 4 Rites

Lander, Sept. 16—Impressive late summer nuptials in the Evangelical United Brethren church in Germantown, O. united in marriage Miss Dorothy Jane Meyer and Charles Raymond Swanson on Saturday evening, September 4, at 7:30 o'clock.

The bride is the daughter of Mr. and Mrs. Charles E. Meyer, of Germantown, and a graduate of Germantown High School and Miami Jacobs Business College. She has been associated with Frigidaire in Dayton.

The bridegroom is the son of Mr. and Mrs. Joseph W. Swanson, of Lander, and was graduated from the local high school and the Jamestown Business College. He is now a student at Kent State University, Kent, O. He served 24 months in the army, with 30 months in the Pacific area, and was formerly employed by Goodbody and Company in Jamestown, N. Y.

Mr. and Mrs. J. W. Swanson and daughters, Elaine and Shirley, of Lander, with Richard Wenzel, of Warren, Mr. and Mrs. Harold Barnes, of Sugar Grove, and Donald Swanson, of Jamestown, were among those attending the wedding.

Rev. J. Hendricks performed the single ring ceremony. White gladioli and chrysanthemums, intermingled with green ferns, together with palms and candelabra provided an artistic setting. Mrs. Albert Rosenstien, organist, and Miss Mary Jean Case, soloist, offered "Because," "At Dawning" and "The Lord's Prayer."

Jamestown, Pa. maid and ushers were J. W. Swanson and James Clark.

Miss Mary Lou Meyer, sister of the bride, was maid of honor, with Miss Pauline Meyer, Dayton, as bridesmaid. Miss Meyer wore lavender satin, with a bouquet of deep pink gladioli, and Miss Meyer was in emerald green satin, with bouquet of yellow gladioli. Mrs. Joan McCabe and Miss Sarah Conner lighted the tapers.

The bride, given in marriage by her father, wore a gown of candlelight skinner satin, with high neckline and sheer yoke giving an off-the-shoulder effect, long, princess sleeves tapering to points over the hands. The fitted bodice

Her fingertip veil of English illusion was clasped to a tiara of seed pearls and her costume was completed with a bouquet of white gladioli and a leopardskin in a shawl arrangement and centered with a white orchid.

Following the ceremony, a reception was held in the church parlors, where Mrs. Paul Arnold, Mrs. J. W. Swanson and Mrs. Robert Philabrum served as hostesses.

The bride's mother received in a gown of royal blue, with black accessories and corsage of pink gladioli. The bridegroom's mother wore a floral print, black accessories and corsage of white gladioli.

The newly-married couple cut and served the huge three-tiered wedding cake which was topped with miniature bridal figures.

The couple will honeymoon in the Smokey Mountains. For travel the bride wore a brown fault suit and the white orchid from her bridal bouquet.

AIR FORCE DAY

Air Force Day this year will be observed on September 16, the first anniversary of the official signing of the United States Air Force as an autonomous branch of the Armed Forces of the United States under the National Security act of 1947, with equal status for the Army and the Navy, stated M/Sgt. Don F. Miller of the local U. S. Army and U. S. Air Force recruiting station.

Nineteen forty-eight also marks the 41st year of the existence of the nation's first military air arm, which was established August 1, 1907, as the aviation section of the Signal Corps.

The sergeant went on to say that this is the fourth observance of Air Force Day.

DRISCOLLS HAVE 49TH ANNIVERSARY

Youngville, Sept. 16—(AP)—Rev. and Mrs. R. W. Driscoll, former pastor of Youngville United Brethren church and his wife, celebrated their 49th wedding anniversary on September 9 at Alma, N. Y.

Rev. Driscoll is now one of the pastors of that community and the membership of his church joined with the family and other friends in observance of the anniversary.

Those attending from Youngville were their daughter, Miss Helele Driscoll, with Mr. and Mrs. Earl Young.

CATHOLIC DAUGHTERS RESERVATIONS ASKED

Any member of Court Warren, Catholic Daughters of America, who plans to participate in the diocesan pilgrimage to Erie on Sunday is asked to call Mrs. Francis Kolmair, grand regent, no later than Friday noon, which has been set as the deadline on reservations.

Personal Paragraphs

Register and Recorder Don Schuler and Mrs. Schuler have returned from a two weeks vacation trip in Canada, where they enjoyed the fishing.

Youngsville BPW Names Committee For New Season

Youngsville, Sept. 16—President Dorothy Retterer was in charge of the regular meeting of the Youngsville Business and Professional Women's Club, held at the National Forge clubhouse.

After the reading of the club collect, the members accepted with regret the resignation as secretary of Miss Mariem Donaldson, who has accepted a business position in Jamestown, N. Y. Miss Helen Unterreiner was elected recording secretary. A donation was voted to the Warren County Child Welfare Fund.

Delegates chosen for the district meeting in Union City in October were Mrs. Golda Hill, Mrs. Edith Getts and the president.

Announcement was made of appointment of the following committee chairmen: Education and vocation, Mrs. Minnie Hanson; finance, Mrs. Rose Hubert; health and safety, Miss Helen Piper; information, Mrs. Adah Pollard; legislation, Mrs. Edith Getts; new service, Frances Rhoades; program, Mrs. Mariam Abraham; Miss Golda Hill, Mrs. Pauline Hallast, Mrs. Flora McDowell, public affairs, Mrs. Alice Shurwin; parliamentary, Mrs. Nellie Anderson; publicity, Miss Elizabeth Canfield; membership, Mrs. Ruby Ransom.

A delicious luncheon was served by Mrs. Elsie Mead and her committee.

Mrs. Rose Hubert was program chairman and introduced Mr. Gilmore, of Kutztown, who displayed and spoke about Kutztown woven rugs. Members voted to sell some of the rugs as a club project.

Dragons of 1928 To Share Honors At Youth Party

Members of the 1928 Warren High School football team and visitors from Erie will be special guests at the first fall community youth party to be held Saturday evening at Beatty Junior high school.

Coinciding with the afternoon football game between Franklin and the Dragons, the "Foot-Ball" will have the homecoming game as its motif. Co-chairmen of the affair are Joanne Erickson and Nick Alangus.

Heading the other committees are Roger Parfitt, set-up; Lynn Anderson and Marge Ritchie, decorations; Margie Neuman, refreshments; Carol Siefert, cashiers; Jean O'Connor, door committee; Elaine Bova, games; Dick Schuler, clean-up.

Jim Johnson and Bruce Forsgren will emcee the floor show.

All who are freshmen through the twenties are eligible and cordially invited to this initial party of the season.

Youngsville Fair Listed As Best Ever

Youngsville, Sept. 16 — The Youngsville Community Fair closed last Saturday evening setting a new all time record. In spite of unfavorable weather large crowds visited Island Park.

There will be more premium paid this year to exhibitors than at any time in the past. By nine o'clock on Wednesday evening all exhibit buildings were filled and extra tables had to be set up. In the needlework department under the supervision of Mrs. Flossie Schnell it was almost impossible to keep the exhibits in presentable order because of the number exhibited in each class. There were twenty-three crocheted clothes, nine embroidered towels, sixteen crocheted trimmed handkerchiefs, etc. The judging started early in the morning and lasted throughout the afternoon.

In the canned goods department headed by Mrs. Hazel Rhoades the shelves were well filled with fruits, vegetables, meats etc. such as nine cans of cherries, nine cans of dill pickles, and eight jars of strawberry jam.

R. L. Albright had a big job this year with vegetables and field crops. This department had the most number of exhibits. Among the things shown in this building there were nineteen exhibits of summer squash and twenty of winter squash. Each exhibit of sweet corn consisted of six ears with husks. In this class there were sixteen exhibits.

Representatives of several newspapers took pictures of the various displays. Most interest, however, centered around the Tidouite Fortnightly garden club exhibit which was a beautiful golden wedding setting. This club was awarded the blue rosette ribbon plus \$20.00 for first place.

Seven-year-old Harold Cornish, Jr., of Bear Lick, entered a Hereford cow with her seven-month-old calf. There was a great deal of discussion as to the weight of the calf. It was nearly as large as the cow and weighed eight hundred and forty pounds.

Although the records are not complete as yet everything points to this year as the greatest of all Youngsville fairs. Plans are now under way for next year's fair which may be held for five days instead of four.

Of the special awards Mrs. R. L. Detar won the Gold Sun-ray cup offered by The National Needlecraft Bureau for the best crocheted piece and Mrs. Allen Nelson was awarded the silver cake plate offered by General Mills, Inc. for the best Betty Crocker Chiffon Cake.

LOBLAW NEWS

Cooler days are here again and appetites are whetted for more substantial meals. Loblaw's are again ready to serve you with a tempting array of helpful menu suggestions, that will save you money too.

There is Golden Maid Margarine, for instance, at only 29c. Then in our Cheese Department we have Swiss cheese at 69c, a really outstanding price on this fine cheese. California light meat tuna at 41c is a good buy for making school lunch sandwiches. For something rather special for parties or luncheons why not buy a can or two of Pomco whole small Irish potatoes. They are very popular.

There are many other interesting foods but space is limited to tell you about them. However, there is still room to call your attention to the imported metal tea canisters. They are really beautiful and very practical. They can be reused in so many ways.

Safe Driving Talk Before Brotherhood

Following Tuesday evening's business session of St. Paul's Lutheran Brotherhood, James E. Springer, of the Warren High School faculty, presented in a very frank and interesting manner the timely problem of safer automobile driving.

He pointed out that the tragic record of recent years, especially that of 195 deaths or serious injury by auto accident every minute of every hour in 1947, has greatly influenced insurance companies, automobile manufacturers and the American Automobile Association in giving serious consideration to improving conditions through educational methods.

He said the most constructive program is that of the AAA, which was originated in Pennsylvania. Dr. Amos Neygard, of the Penn State faculty, is directing the AAA program, giving unsparingly of his time and means to interest colleges, high schools and communities.

Mr. Springer reported that in Warren, 130 students are enrolled in studies designed to improve their driving, receiving 30 hours of class instruction and eight hours of driving behind the wheel.

The speaker pleaded for the cooperation and patience of the public with these students; also for encouragement for a larger and better set-up in this most-important branch of community improvement.

High-Ranking Communist Is Called Before Sub-Committee

Washington, Sept. 16.—(AP)—A high ranking U. S. Communist was called to Capitol Hill today to testify before a sub-committee of the House Un-American Activities Committee.

Ben Gold, union president, and member of the Communist party's national executive committee, headed a list of nine union officials called by a house labor sub-committee as being up an investigation of the union.

Chairman Max Schwabe (R-Mo) said each of the nine would be asked whether he is a Communist, and he predicted again that most of them would refuse to answer. Associates of Gold have told re-

New French Government Periled Again

Paris, Sept. 16.—(AP)—France's five-day-old government, bludgeoned by the extreme right and left, teetered precariously today.

While Premier Henri Queuille's cabinet wrestled with a wave of financial measures, a emergency of strikes, many of them Communist-led, spread through the nation.

On the right, followers of Gen. Charles de Gaulle pushed a campaign for national elections.

The cabinet faced one limit on its request for a law limiting the right of police to strike. Debate may start tonight in the assembly.

It faced a second threat on the premier's financial program, which includes an increase in general wage increases and the imposition of 50,000,000 francs (about \$160,000,000) more in taxes. The last two previous governments fell on similar financial programs.

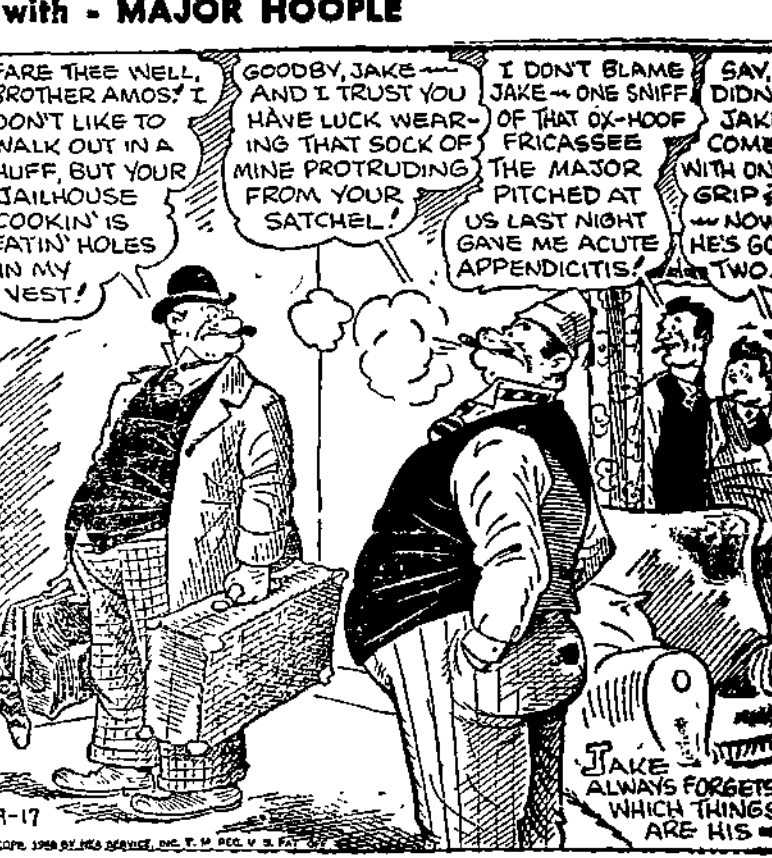

The strike movement hit hard at the aviation, automobile and steel industries.

No new violence was reported today, but the movement spread rapidly in protest against the government's opposition.

boosts. In clashes yesterday, more than 100 police and 30 workers were injured.

About 49,000 miners and other employees staged a 24-hour strike at the Pas de Calais area and Lorraine coal pits.

Some 9,000 workers of the nationalized aviation industry still were out on strike, although about 7,000 had returned to work.

Hopes For Averting Phone Strike Appearing Brighter

By The Associated Press

Hopes appeared brighter today of averting a threatened nationwide strike by some 25,000 CIO telephone equipment workers.

The strike deadline is 6 a. m. Friday but a federal mediator said after all-night negotiations in New York he was "very optimistic" about a settlement of the CIO dispute.

Representatives of the Association of Communication Equipment workers and the Western Electric Company planned to resume sessions this afternoon.

In one of the nation's major strikes—the two-week-old stoppage by CIO Longshoremen—the army prepared to use troops, if necessary, to handle military cargo at strike-bound west coast ports.

The troops will be used if enough civilian stewards do not sign up, said Secretary of the Army Royal in Washington.

Mr. Miller said the strike-breaking by Harry Bridges, CIO union leader, The Longshoremen's union is boycotting the army's invitation to load army supplies.

CIO pickets were in front of the army employment office at San Francisco and Seattle, Chief issues in the walkout are wages and a union-controlled hiring hall.

In the CIO Refinery Workers' union strike on the Pacific Coast, negotiations were resumed in San Francisco between the union and one of the six major truck companies.

In Richmond, Calif., scene of fighting at the Standard Oil Company refinery Tuesday, Mayor H. E. Miller said representatives of striking unions had agreed to extend indefinitely a "truce" that halted disorders around the plant.

Mugh E. Sheridan, a special mediator, continued efforts to settle the 16-day trucking strike in New York City by AFL Teamsters.

The milk supply situation was cleared up after the American Can Co. manufacturers of fiber milk containers, reached an agreement with local 807 on the 17 1/2 cent basis.

Services Held at Temple

Services were held at the Temple Funeral Home at 2 p. m. Wednesday for Mrs. Mary C. Smegberg, former resident of Worcester, Mass., who passed away Monday at the home of her sister, Mrs. Anne Herdendorf, 25 Madison Avenue, New York City.

Gustafson, pastor of St. Paul's Lutheran church, conducted the rites. Removal was made this morning to Buffalo for cremation.

Attending the services from away were Mr. and Mrs. William Ross, Worcester, Mass.; Mr. and Mrs. Carl Taylor, Erie; Mr. and Mrs. Victor Orn and daughter, Mr. and Mrs. Paul Orn, George Taylor, Mrs. George Nagel, Corry; Mrs. Frank Raymond, Mrs. Florence Miller, Miss Ida Orn, Mrs. Charlie Swanson, Columbus.

"Holy Spirit" Death Probe Clears Family

Palmer Rapids, Ont., Sept. 16.—(AP)—A coroner's jury refused last night to blame any one for the "Holy Spirit" death of Violet Gogolin.

Witnesses testified at the inquest that Violet, 13, walked into the Madawaska river and drowned Aug. 22, because she was impelled to do so by the "Holy Spirit."

"I guess," her father told the five-man jury, "it was pleasing to God that way."

The witnesses said Violet's death occurred at the height of a night-long family religious service at Violet's farm home near here.

They told the jury she walked into the river after "receiving the blessing" at 4 a. m., at the end of seven hours of "praising the Lord."

Violet's sister, Viola, 23, stood on the meeting house dias in an ankle-length dress and recounted how she saw her sister die in the "moonlight. She testified:

"Violet said, 'Faith is the victory.' She was praising God. I was praising the Lord. Then she walked into the water until it pretty well covered her head."

There was no struggle, Viola said, and Violet did not call for help.

Viola said she went for a boat to help her sister, but it was pushed back by the spirit.

Other members of Violet's family sat in the meeting house with Bibles clutched tightly to their chests. Her 55-year-old father, Henry Gogolin, told the jury he believed the "Holy Spirit" led Violet to her death.

Market Quotations

New York, Sept. 16.—(AP)—Trading on the stock exchange was measured in dribbles today as prices moved irregularly. Changes in either direction were in small fractions, and transactions were so spotty that a market trend could be determined only with difficulty.

Jaycees Will Buy Hospital A Bassinet

A number of important issues came before the Warren Junior Chamber of Commerce Wednesday evening at the YMCA, with Vice President Bob Beatty, presiding in the absence of President Chuck Krantz.

McCuris Allison, chairman of the youth welfare committee, proposed to the Jaycees that they purchase a Hummel baby bassinet and present it to the Warren General Hospital. After considerable discussion, it was voted to appropriate the money for the purchase and the bassinet will be used in the hospital maternity ward.

It was explained by Mr. Allison that the individual baby unit is becoming popular in many hospitals and New York state has recently passed a law making their use compulsory in maternity wards in that state.

Jack MacDonald was appointed chairman of the Pennsylvania Week Parade with the following to work with him: John Duesing, Bob Gates, Ed Branch, Charles Buchanan, Vance Wright, and Charles Barrett.

The Junior Chamber committee will contact local firms and merchants in an effort to stimulate the parade of floats in the September 25th parade and persons entering floats or trucks are asked to notify the Jaycees by writing Box 147.

The membership voted to undertake the Christmas lighting project in Warren this year in cooperation with the Retail Merchants' Association.

If funds are made available from local organizations or industries, the Junior Chamber will erect five Christmas displays at various points in the borough. The Jaycees will finance one of these and the Chamber of Commerce has agreed to finance another.

The organization of a Kane Junior Chamber is progressing. Max English, Dave Levine and Bill Farin were in Kane Tuesday night and met with a group of men from the hilltop. The next meeting will be held October 11th.

John Newmaker, chairman of the special events committee, announced that the Warren Players Club has refused to rent the Woman's Club auditorium to the Junior Chamber for a Thanksgiving dance. He Committee will attempt to find another hall to stage what is hoped will become an annual holiday event.

Time aviator son of Orchestra leader Meyer Davis. He claims to be the first world citizen and demands recognition as such.

Davis, who has been sitting it out on the steps of the new U. N. restaurant in the area made "territorial" by the Franco, addressed a letter yesterday to U. N. Secretary-General Trygve Lie. He demanded formation of a world government and recognition of him and his following as a stateless people without passports.

Davis has given up his American citizenship in his zeal to sell the world on his plan.

Now, Davis has used up his visa time in France and is camping in the inviolable U. N. area, a man without a country and not wanting one, he says.

Pleasant Twp. Is Forming A Fire Company

First steps toward organization of a volunteer fire fighting organization for Pleasant township were made last night at an enthusiastic meeting of some 40 township residents in the Pleasant Grange hall.

Named as temporary officers for the organization which will be known as the Pleasant Volunteer Fire Company, were:

Glenn Elliott, president; Fritz Rieder, vice president; Raymond Yeagle, Jr., secretary; and Donald E. Allen, treasurer.

Aiding in the organization were several members of the Youngsters fire department, including Fire Chief Merle E. Asselt, Fire Chief Willis Johnson, and Fire Chief Gurney Ball.

The Pleasant firemen set the first and third Mondays of each month for the regular meeting nights, with the next session to be held Monday night, Sept. 20, in the Pleasant Grange hall.

A further attractive note on the program will be the appearance of one of Warren's famed "Beverly Shop Knights". This popular group, in great demand at such gatherings, consists of Howard Johnson, Stewart Nelson, Bill Duff and Art McDonald. In spite of appearances they have agreed to be present tomorrow evening to add a note of good fellowship to the activities of the evening.

Dewey Fires Back At Labor's Stand

Albany, N. Y., Sept. 16.—(AP)—Gov. Thomas E. Dewey fired back today at labor opposition to certain Republican senatorial candidates by arranging to give them a helping hand in the campaign.

The GOP presidential candidate's indirect reply came in an announcement that he will make a round of speeches Sept. 28 through Oct. 1 in Spokane, Wash., and in Montana, Idaho, Utah and Wyoming.

Those are in addition to previously announced major addresses in Iowa, Colorado, New Mexico, Arizona, California, Oregon, and in Tacoma and Seattle, Wash. The New York governor's western tour will open in Des Moines Monday.

YOUTH IS INDICTED IN PISTOL SLAYING

Pittsburgh, Sept. 16.—(AP)—Sixteen-year-old Joseph Manuel of Lawrenceville, was indicted yesterday in the pistol death of Robert W. Lennon, 40, Wilkensburg salesman.

The state charged Joe shot Lennon last July after the salesman refused to let the boy commandeer his car for a robbery getaway.

The jury also indicted Manuel on nine robbery charges, one burglary count and nine charges of pointing firearms.

Expands Program For Mentally Ill

Harrisburg, Sept. 16.—(AP)—The state is expanding its program for the care of the mentally ill.

The State Welfare Department announced the appointment of Dr. Louis J. Kowalski, as assistant director of the state's bureau of mental health to aid in the expansion. The new post pays \$7,500 a year.

Dr. Kowalski, formerly on the medical staff of the Philadelphia State Hospital at Byberry, will assist Dr. Hilding Bengt, bureau director.

Charles R. Barber, welfare secretary, said the welfare department has made "excellent progress" in the recruitment of new personnel at the state's mental hospitals.

In the 18 months ended August 1, Barber said the number of physicians at all hospitals was increased from 146 to 196; registered nurses from 409 to 499 and attendants from 3,063 to 3,619.

Chapter 6

Cathy was tired. It had been a full day for her. Moving into the big house had brought her added responsibilities and duties, but quite naturally she took over Nettie's work as housekeeper and cook. Her nightgown on, she drew back the blankets, got into bed, looked over at Gay who was sitting at the window.

"Going to sit there all night?" Cathy asked. "It's eleven o'clock, you know."

Gay turned in her chair.

"I'm not tired," she answered lightly. "Want me to turn out the light?"

"Do you mind?"

"Not at all. Actually, I like to sit in the darkness. It's restful."

Gay moved swiftly. Presently the room was plunged in darkness. Cathy burrowed deep into the blankets, sighed so contentedly that Gay laughed.

"Comfortable?" she asked.

"Oh, yes! Bed's a wonderful place, isn't it?"

"Very wonderful," Gay replied. She moved the curtain aside and rays of silvery night light streamed into the window. "The light's out in the cottage."

"Phil has to be up early. That's part of a foreman's job."

"He's nice, isn't he?"

"Yes, he is."

"What's his wife like? I haven't had more than a glimpse of her."

"Oh, Nettie's all right. I suppose. We haven't gotten along as well as we should, still I don't know that it's been all her fault. I was pretty nasty with her over the cottage, you know. However, it's all over now, so I suppose we'll get along better."

"She's older than Phil, isn't she?"

"Oh, yes!" Gay said. "I'm sure she is."

"I guess I've never given that matter any thought. What do you think of George?"

"I don't know what to think of him. He isn't the talkative kind. Still I suppose he's all right. He's just not my kind of man, that's all."

"I like him. I admit he's different from most other men, but that may be why I like him. Anyway, he's had a hard time of it and I think it's made him quiet, even better."

"I'll take Phil Martin's word any time."

"Nettie might not like to hear you say that."

"When a plain, unattractive woman marries a man who is younger than she is, well, she should expect most anything. I never could understand such marriages. They—well, they don't make sense."

There was no reply from Cathy. Gay settled herself in her chair. Cathy turned over on her side, and closed her eyes. She was tired, but sleep did not come easily. Gay's remark rang in her ears and it disturbed her. She wondered what kind of married life Gay had had. She'd said but little about it since her arrival, even less about her husband other than a brief word or two about his death.

Minutes later the two sisters lay beside each other. There was no further talk between them. Presently Gay's gentle breathing indicated that she was asleep. Cathy closed her eyes, but sleep did not come to her. She looked down at Gay, marveled at the ease with which she had fallen asleep. Cathy tossed and turned for an hour. Disturbing thoughts kept her awake. Always Phil Martin's face kept forcing its way into her thoughts. She was sure there was some significance attached to it and it worried her. Finally, she turned over on her side.

"The next few days passed happily, though uneventfully. In the cottage, Nettie was herself again."

In the big house things ran along equally smoothly. In Cathy's capable hands, Gay's and George's wants were well attended to. Radiant as ever, Gay was the most carefree person on the ranch. As for Cathy, she was never without an apron. Sections of the lowlands were under water late today from the drizzling rains.

Axel Lundahl Credited With Hole-in-One and New Course Record at Maplehurst Greens

Axel Lundahl, of 206 Russell street, turned in a unique performance on the "Maplehurst" Golf course north of Sugar Grove yesterday when he not only sunk a hole-in-one, but also set a new course record for an amateur on a nine-hole layout.

The hole-in-one shot was made on the par four, 269-yard No. 5 hole while playing with Howard Allen of Warren and F. W. Van Natten of Jamestown. Club officials said it was the first time in Maplehurst history that a hole-in-one was registered on No. 5.

Axel's accurate firing came on his third round of the nine-hole course. In his first two jaunts, he toured the course in even 38's, three over par. In the third trip, however, he matched par on every hole except No. 5, and finished with a record-breaking 32.

White Sox Having Lot To Say About American Race

By RALPH RODEN
Associated Press Sports Writer

The Boston Red Sox inability to hold their own with the cellar-dwelling White Sox in Chicago this year could cost them the American league pennant.

Murdered in Boston's Fenway park where they dropped 10 of 11 games, the White Sox have whipped the league leaders in 7 of 11 games at home.

The White Sox exploded for ten runs in the seventh inning to blitz the Red Sox, 17-10, yesterday.

The defeat melted Boston's margin over the runner-up New York Yankees to a game and a half. The third place Cleveland Indians, who lost a half game and they now lead by three and one-half games.

Taft Wright was the big noise in the White Sox rally. The veteran outfielder went to bat twice in the big seventh inning and drove five runs, four of them on a grand slam homer which climaxed an uprising.

The only bright spot as far as Boston was concerned was the hitting of Ted Williams. Williams collected five singles in the trips to boost his league-leading batting mark to .377.

The Boston Braves, aided by four errors, clipped the Chicago Cubs, 2, in their final meeting of the season. The triumph was their 16th over the Cubs in 22 outings this season.

The triumph enabled the Braves to stay five games ahead of the runner-up Pittsburgh Pirates, who whipped the Giants, 8-3, in New York. Dixie Walker drove in three of the Pirates runs with a single and double. Ernie Bonham checked the Giants on seven hits, two of them homers by Whitey Lockman and Johnny Mize.

The St. Louis Cardinals moved into a tie with the Brooklyn Dodgers for third place, a half game behind Pittsburgh, by beating Philadelphia, 2-0, while the Dodgers split a twin bill with the Cincinnati Reds.

After the Reds edged the Dodgers, 3-2, in the opener behind the six hit pitching of Howie Fox, Brooklyn grabbed the nightcap, 2-1 as Lefty Frazier hit a seventh-inning homer.

Big George Mauer stopped the Phils under the lights at Philadelphia on three hits as the Cards blanked the Phils for the second straight night. Harry Brecheen shut out the Quakers on three batters Tuesday evening.

Stan Musial, with two singles and a triple, led the Cards' eight hit attack against Rookie Robin Roberts.

Scholastic Campaign Is In Full Tilt

Harrisburg, Sept. 16—(AP)—The 1948 scholastic grid campaign takes on additional momentum tomorrow and Saturday.

Both in the east and west, scores of high school squads will engage in initial tests of the 12-week autumn schedule. The others underwent their baptism of fire last weekend.

One of the headliners tomorrow night is the Allentown-West Philadelphia exhibition skirmish in the Canaries' new \$1,000,000 stadium. This year marks the return of Allentown to the Pennsylvania Inter-scholastic Athletic Association after a 1946 suspension for using ineligible basketball players.

The Tamaqua-Mt. Carmel battle in the southern division of the eastern conference also looms as one of the bigger games in the east. Tamaqua looked impressive in downing Summit Hill, 25-0 last week. Mt. Carmel is stamped by early reports as a strong contender in the expanded loop.

The newly split Erie county conference gets the 1948 season underway this weekend divided into a major and a minor league.

Girard, champion of the United 12-team wheel last year, boys in league competition tomorrow night with a game at Lawrence Park. The Yellow Jackets were defeated, however, in an exhibition tilt against Millersburg last week.

This plant was constructed by Forest Service using CCC and WPA facilities several years ago with technical advice and assistance from the Fish and Wildlife Service. It was originally intended for summer operation, but subsequent conditions developed the need of year-long operation. One factor contributing to this decision was the increase in fishermen use of forest streams and need for supplementing the planting program conducted by the Pennsylvania Fish Commission.

Mr. Anderson said the station is operated by the Fish and Wildlife Service through cooperation between the U. S. Department of Agriculture and U. S. Department of Interior. The Allegheny National Forest is responsible for maintenance of station improvements.

The plant was operated for the seasons prior to 1942, but as funds were curtailed during the war the Fish and Wildlife Service had to discontinue operations. In the fall of 1946, a technician was transferred to the station, but he resigned within several months. Lack of personnel and funds did not permit resumption of operation.

Last spring sportsmen leaders in northwestern Pennsylvania rearing the need for opening the Farnsworth station to interested Congressman Leon H. Gavin and others in the project with the result that funds were appropriated for fiscal year 1949.

The additional fish that will be available for planting in streams within and adjacent to the forest, explained Mr. Anderson, should go a long way toward filling fishermen needs. The fish planting program conducted by the Pennsylvania Fish Commission is supplemented by those produced at Farnsworth should make this part of the state at least a partial "fisherman's paradise."

PONY LEAGUE

By The Associated Press

The pennant winning Lockport Reds and the runner-up Jamestown Falcons met tonight in the Pony League's best-of-seven final playoff.

The Reds won their playoff berth last night by posing out the fourth place Bradford Blue Wings 3-2. The victory gave the Lockport Club a 4-2 win in the semi-final playoffs.

The Falcons became a play-off team last Sunday when they won a fourth straight game over the third place Hamilton Cardinals for a 4-1 count in the other semifinal series.

Tonight's game is at Lockport. The series winner takes the Governor's Cup, won a year ago by the Falcons.

LADIES MAJOR LEAGUE

Vi Sterling toppled the sticks at a 155-182-158-495 clip in the opening round of the Ladies Major League on Penn alleys last night, but her teammates on the Betty Lee squad let her down as they dropped all four match points to Hoagvall's Hardware.

In a second league encounter, Marguerites took three of the four units away from the Berts.

Individual team leaders included Eddie Juliano with 491 (134-159-145) for Berts; Rose Juliano with 461 (146-158-137) and Bernice Thomas with 453 (141-154-158) for Hoagvall's; and Red Walsh with 437 (129-160-148) for Marguerites.

Team scoring:
Betty Lee.....664 755 696-2115
Hoagvall's.....683 800 713-2196

Farnsworth Rearing Station Almost Ready For Opening

The Farnsworth trout rearing station will be opened within the next several days for fish production announced Supervisor A. H. Anderson of the Allegheny National Forest today.

This plant was constructed by Forest Service using CCC and WPA facilities several years ago with technical advice and assistance from the Fish and Wildlife Service. It was originally intended for summer operation, but subsequent conditions developed the need of year-long operation. One factor contributing to this decision was the increase in fishermen use of forest streams and need for supplementing the planting program conducted by the Pennsylvania Fish Commission.

Mr. Anderson said the station is operated by the Fish and Wildlife Service through cooperation between the U. S. Department of Agriculture and U. S. Department of Interior. The Allegheny National Forest is responsible for maintenance of station improvements.

Homecoming Celebration On Saturday to Highlight Busy Weekend For Football Fans

Homecoming Day for Warren district sports fans will be observed here Saturday with special ceremonies during the "Dragons" grid tussle with Franklin in War Memorial field in Lexington avenue.

The festivities, being held under the auspices of the Sports Boosters Association of Warren, will honor Warren High's undefeated grid team of 1928.

The Warren Red Jacket semi-pro gridlers also will be active this weekend, with a Sunday afternoon scrap against the James town Legion team slated for 2 o'clock. This also will be in the town of an unofficial "homecoming", since five or six members of the Jamestown team formerly played with the Red Jacket.

These two contests occupy the center of the grid stage in the Warren area, but there'll be plenty of other activity going on along the sidelines.

A Warren High Reserve team will travel to Lakewood, N. Y., today for a tussle with the Southwestern Central Reserves. The game will start at 3:15 o'clock. The Warren squad will be under the direction of J. V. Passaro.

On Monday, the Bradford second team will come here for a scrap with the Warren seconds on War Memorial field, while the same afternoon the Warren Freshmen, under the supervision of H. C. Hutchings, will go to Kane to battle the Hilltop Freshies. Both of these tilts will get under way at 3:15 o'clock.

Pirate Chief Sees Braves As Winners

New York, Sept. 16—(AP)—Billy Meyer, the realist, would like nothing better than to pull the upset of the year by winning the National League pennant, but the astute Pittsburgh pilot doesn't believe any team will catch the runaway Braves now.

"The schedule is very much in their favor, and with Johnny Sam and Warren Spahn pitching every other day like they've been doing, I don't see how my club or any other team can catch the Braves," he said.

Boston has only 15 games left to play, most of them at home," he went on. "Except for four games with Cincinnati at Forbes Field, we play all our remaining games on the road."

"Then too, we simply don't have the pitching depth needed to make up that five-game deficit. My staff is tired and overworked. Those doubleheaders in recent days haven't helped either. I was forced to start such veterans like Fritz Ostermuller and Elmer Riddle against Brooklyn with less than their customary rest. Their work showed it, too."

The grizzled 55-year-old native of Knoxville, Tenn., in his first big league managerial attempt, confessed he was highly satisfied with his team's showing this season.

Meyer gave most of the credit for the team's surprising showing to his keystone combination of Shortstop Stan Rojek and second baseman Danny Murtaugh. He also threw in a good word for Dixie Walker and Pitchers Bob Cheshnes, Kirby Higbe and Rip Sewell.

Sons of Italy Lodge Visited By State Sec.

The Lodge Gonzia of Warren played host to Ernest Biagi, of Philadelphia, grand secretary of the Pennsylvania Order Sons of Italy in America at a meeting held at the local lodge rooms on Monday evening.

The meeting was opened by Domenico Rizzo, venerable, who welcomed Mr. Biagi on behalf of the Warren Order and telling him they were honored by his visit to the local.

Mr. Biagi is on tour throughout Pennsylvania to raise funds for the purpose of building an orphanage in Cassino, Italy, in memory of the American soldiers who died for the freedom of Italy.

Lodge Eugene Alessandrini, grand venerable of the Pennsylvania Grand Lodge, has been appointed national chairman for the drive.

Mr. Biagi explained the use and purpose of the stamps or seals and handed down a full outline of the program being conducted on a national scale by the Sons of Italy.

The local lodge received the program with a very fine spirit and expressed a desire to cooperate wholeheartedly with this fine patriotic and charitable undertaking on the part of the supreme lodge.

Guy Mammolite, of Franklin, a war veteran and district deputy of the northwestern Pennsylvania district, told of his experience in Italy during the war and having visited Cassino's destruction on several occasions. Mr. Domenico is also touring the northwestern Pennsylvania lodges and appealing to all American citizens to aid the drive.

The local venerable at this time appointed the following members as heads of the local drive: Dr. Paul Fago, Samuel Bonavita as co-chairman of the drive to be assisted by Brothers Joseph Manno, John Carbon, Joseph Pace, and an ex-venerable and charter member of the lodge, Dan Willis, also Joseph L. Bonavita. Other members of the lodge will be added as progress of the drive gets moving along.

Other guests present and who spoke briefly were John D. Fanti, grand trustee of the grand lodge of Pennsylvania, Ridgway, and Joseph Mason, venerable of the Franklin lodge.

Engineers To Convene In Emery Hotel

Four speakers will address a fall meeting being sponsored jointly by the oil and gas section of the Engineers' Society of Western Pennsylvania and the Pennsylvania Grade Crude Oil Association in the Emery hotel Bradford, on Friday, September 17.

A technical session will open at 2 p. m. The scheduled speakers and their subjects are as follows:

James M. Bird, James M. Bird Oilwell Survey, Bradford, "Calibrating Shot Holes"

John F. Buckwalter, Ryder-Scott Company, Bradford, "How Much More Oil Will Bradford Produce?"

C. E. McMahon, Natural Gas Pipe Line Patrols, Pittsburgh, "Aerial Pipe Line Patrol"

A dinner at 7 p. m. in the hotel will close the meeting. Paul Benedum of Benedum and Trees, Pittsburgh, will describe "Underwater Drilling off the Gulf Coast" and will show movies of the activity.

The meeting is expected to attract a large attendance. Officials of the Engineers' Society and the Pennsylvania Grade Crude Oil Association said anyone interested in the topics to be discussed is welcome to attend.

Train Will Be In Corry Early Sunday

Corry Journal. Corry residents may have a glimpse of the Freedom Train—but only from the outside if they are up about 2 a'clock next Sunday morning.

The widely heralded train, carrying scores of historical and memorable documents in important events covering the growth of the Corry on the Pennsylvania railroads, will pass through town enroute from here to Oil City.

The train will be in Erie next Saturday, leaving there sometime after midnight for the trip to Corry and then south to Oil City where it will be on display from 9 to 10 a. m. Sunday.

Pennsylvania officials through here are taking several steps to assure the safe journey of the train. All switches will be spiked down and bridges guarded. W. O. Teufel, general superintendent of the Pennsylvania railroad at Buffalo, said this morning.

The Freedom Train consists of a Diesel locomotive, an equipment car, three exhibition cars, two Pullman cars and a headquarters Pullman car.

It is making the longest tour in American history and has traveled 33,000 miles in 13 months.

CORYDON

Corrydon, Sept. 14 The local order of the Chapter HWR was in order of Odd Fellows was host to county organizations when about 60 members attended a green corn supper, an annual event sponsored by the Corydon order. The supper followed the routine business session in addition to a social hour.
